For same-day funding, all required disbursement documents and wires must be received by 3 pm ET.
If we receive your information after 3 pm ET, we'll do our best to fund your file as quickly as possible.

Important Notes About Wires:

- Any wires that can't be easily matched to our scheduled disbursements will be returned as unidentifiable
- These instructions apply to wires only
- ACH transactions will be automatically rejected
- Mailed checks cannot be accepted and will be returned to sender

Please double-check your loan number for accuracy. If your wire cannot be matched with a disbursement, it will be returned as "unidentifiable."
